

Join our team: paediatric practice seeks medical assistant

We have a vacancy! **Are you a medical assistant (m/f/d) looking for your dream job in Jena? Then join our team!**

You can find more information here and apply with just a few clicks.

As a large paediatric practice in the centre of Jena, we are looking for a medical assistant to join our team full-time or part-time from January 2025. Career changers, e.g. from nursing or medical administration, are also very welcome.

We offer:

A job with heart, security, profile, balance and a future! Our MFAs are much more than just employees for us and our patients, young and old. They are future heroes, soul caressers, responsible people, versatility artists, meaning creators.

Our advantages:

a varied job covering the entire spectrum of paediatrics

a very good salary as well as holiday pay and a 13th month's salary

a warm and cooperative team with flat hierarchies and respectful interaction

attractive working hours, part-time possible

modern, high-quality and digital practice

further and advanced training opportunities internally as well as funded participation in external further training

secure job with permanent employment contract

You bring with you:

a completed training as a medical assistant or career changer, e.g. from nursing

Motivation and reliability as well as team spirit

Enjoy working with children and young people and their parents

Have we sparked your interest?

Then fill out the form below and we will contact you.
